AP Scholars Application Statement of Interest

Students join organizations for various reasons—to make friends, to take on leadership responsibilities, because their parents want them to, to build their resume, to take on challenges, and so on. Explain here what your interest is in joining AP Scholars. Complete within that discussion the following: A) Your strengths as a student; B) your weaknesses as a student; C) three goals you hope to achieve either in high school or by becoming a member of AP Scholars; D) additional information you believe is important in selecting you as a member of AP Scholars. This statement should be no shorter than one full page and no longer than two full pages.

Type your response, be sure your name is on it! Attach to this form and submit with application packet.
